Todd, the ATSDR Initial Public Health Assessment Draft is in final headquarters review. Expected release in about 2-3 months. Since the document is in final review, the next available public involvement stage will be during the comment period. The comment period usually lasts 30-days.

I believe that Amy relayed the Open House date yesterday and our plans to meet with the group. I stepped out, but just want to confirm that we will meet with the tribal trustee group from 230-330/400pm and then open it up to the community from 4-7pm.

Amy/Todd, are you available for a call Friday to discuss Ohio Oil? Or perhaps, late on Thursday between 2-400pm? I have attached a map that lists Ohio Oil owners. Lance had this put together.
